

Der Supportvertrag für Ihren Media Composer, Symphony oder News Cutter ist allein durch den Kauf noch nicht aktiv, es ist noch notwendig, ihn bei Avid zu lizenzieren!

Erst wenn Sie den Vertrag in Ihrem Master Account aktiviert haben, können Sie eine höhere Avid Version installieren.

Bitte registrieren Sie Ihren eben erworbenen Avid Support unter [www.avid.com](http://www.avid.com) wie folgt:

Download Dongle Updater File

Das Updater File (.avd)  
downloaden und den Dongle  
wie gewohnt mit dem  
Dongle Manager updaten.

PLEASE READ CAREFULLY!

Congratulations! You have successfully upgraded.  
Click the Download button to generate your dongle updater file.

Dongle Updater Instructions

Please follow the instructions below to update your dongle.

1. Save the dongle updater file to your system. This file authorizes your dongle for specific upgrades. The updater file extension is .avd.
2. Click the Application Manager icon in your Toolbar (Windows) or Dock (Macintosh).
3. Attach your dongle to your Avid editing system.
4. With the Application Manager tool open, click Licensing. The Application Manager tool detects the dongle with the corresponding dongle ID and Serial Number.
5. From the Choose action menu, select Update, Additional Options and Features
6. Navigate to the location of your dongle updater (.avd) file.
7. Open the updater file.
8. Click Update.

Your dongle is updated and displays that your verification is complete.
