## Description

When you want the smallest production essentials organized and at your fingertips, you need the camRade sideKick. A compact and practical zippered pouch to store small items varying from tools, filters, adapters, cables, SSD, CFast, SD and XQD memory cards. It even has a padded pouch with hook and loop fasteners to store your tablet.

As all camRade bags, this pouch is made of 1000 denier Cordura® fabric and is finished with YKK® zippers. The inside is lined with a blue nylon fabric.

The soft padding makes sure you don't have to worry about damaging or scratching the contents of this pouch. The mesh pockets and elastic straps keep all items in place and offer complete overview and easy access.

The pouch comfortably fits in your hand and can easily be carried in almost any other (camRade) bag. Combine it with the camRade comPanion and you'll be prepared for any situation.
