SKU: CAM-COMPANION
EAN/UCC: 8718591673009

Resistant against:

Description

When you need a decent Director's briefcase for all your essential gear, choose the camRade comPanion. Varying from tools, scripts, cables and batteries, to your trusty laptop, tablet and mobile phone. Everything safe and sound and at your fingertips.

The bag is made of 1000 denier black Cordura® fabric, has YKK® zippers and a blue nylon soft-padded interior. In here, many practical pockets and pouches are created to help you organize your tools and other production essentials.

The padding makes sure you don't have to worry about damaging or scratching the contents of this bag. A large extra padded pouch with elastic hook and loop fastener strip keeps your laptop secured. The mesh and vinyl pockets offer complete overview and access to small items and documents.

On the back of the bag a pouch with zipper is located. When you open the zipper on the bottom, it can be slid over a trolley handle for comfortable traveling. The bag can also be carried by using the strong suede top handles or the supplied removable and adjustable suede shoulder strap with soft padding.
