Easy Access to Ports - Five front-facing ports for easy access to memory cards, USB storage, or charging devices.

Effortless Installation - Engineered to fit securely to the bottom of your iMac®. Easy installation with a twist and clamp system that requires no tools. Soft touch interior protects your iMac®'s finish while the precision engineered clamp provides strong support for your hub.

High-Resolution 4K 60 Hz HDMI - Experience crystal clear 4K 60 Hz HDMI video on compatible 4K monitors for brilliant high-resolution display. The HDMI port is located in the back of the hub to hide away HDMI cords when connecting to an external monitor.

High-Speed USB Connectivity - Transfer files in seconds with 3 USB (2 x USB-C, 1 x USB-A) ports capable of 10 Gbps transfer speeds that are twice the speed of the previous generation USB 3.0.

Quickly Transfer Photos and Files - Universally compatible MicroSD and SD slots capable of transferring photos and files at 104 Mb/s.

Pass-through Charging - Charge your smartphone, tablet, AirPods®, or smartwatch at 7.5W speeds from the USB-A port.

NOTE:

- Compatible Devices: iMac® 2021 24" models
 *Not compatible with previous models of iMac®.
